To whom so ever it may concern

It is here-by certified that, M/s Macro Precision Components, Yeshwanthpura, Bangalore has fabricated airborne quality Display Processor (DP) boxes (mechanical enclosures) and DP Mounting trays for the airborne use for LCA. The competence, quality and precision of fabrication and process was very much satisfactory. The fabrication involved usage of high precision NC machines with skilled manpower, associated chemical treatment processes as required by the user with a CAD facility to verify/validate the mechanical design aspects for fabrication.
